Memo: Claude (Anthropic) terms and policies

To: Southwire Legal · From: Stephan Hardt, Power Generation Solutions · Date: October 16, 2026

As discussed, here are the links to Anthropic's terms and policies for Claude, the AI tool I used for the 3D plant model and training materials. Each link opens the current official version on anthropic.com.

Consumer Terms of Service https://www.anthropic.com/legal/consumer-terms	Personal Claude accounts (Free, Pro, Max)
Commercial Terms of Service https://www.anthropic.com/legal/commercial-terms	Company Team / Enterprise plans and the API
Usage Policy https://www.anthropic.com/legal/aup	All users
Privacy Policy https://www.anthropic.com/legal/privacy	All users
All Anthropic legal documents https://www.anthropic.com/legal	Index

I used a personal Claude account, so the Consumer Terms apply to what I created; ownership of outputs is covered in Section 4 (“Inputs, Outputs, Actions, and Materials”).

Happy to walk through what I built whenever useful.
